

Code Of Ethics

Respect For User Privacy

- We are committed to the protection of user data.
- The information collected through our contact form will not be misused, sold, or shared without the user's consent.

Content Integrity

- All images, videos, or text on the website is authentic and does not infringe on intellectual property or copyright laws.

Non-Discrimination

- Any and all content that discriminates in any shape or form is prohibited.

User Conduct Guidelines

- Any user submitted content through the contact form must not be spam or contain any discriminatory material.

Accountability

- Any feedback regarding our performance to our codes is welcome and encouraged.

Commitment To Improvement

- Our standards and policies will be reviewed and updated to reflect emerging changes.
